Search Exact Path's vast content library for resources to support and enhance your students' work in their learning paths. Assign content directly from the Knowledge Map or Current Activities, or use the content search.

Note: Assignments are available to students in a separate area from their learning paths. See specific student guides in the Help Center.

- Grades K-2: My Assignments on the menu
- Grades 3-5: Assignments on the menu
- Grades 6-12: Assignments appear on the homepage and on the All My Work page

To integrate assignments into your student's daily work, direct them to work on their learning paths one day and assignments another day.

Search Content

You can search content by skill or standards. You can also assign certain content like learning path content and videos or access resources like lesson plans and printable worksheets.

1. From your Exact Path homepage, under Assignment Quick Links, click **Search for Resources**.

The screenshot shows the Exact Path homepage for a user named Harrison 2nd Grade. The 'Assignment Quick Links' section is highlighted with a green arrow pointing to the 'Search for Resources' link. Below this, there is a 'Notifications' section showing a list of notifications for the week of March 11 - March 13, 2019. The notifications include a status update for 'Seahorse, Skippy' from 'Struggling' to 'Not Ready' and another from 'Listening Actively' to 'Listening Actively'.

2. Option 1: Search for content by skill.

The screenshot shows the Edmentum Content Search interface. The top navigation bar includes 'My Classes', 'Math', 'Reading', 'Language Arts', and 'Reports'. The 'Content Search' tab is selected. Below the navigation bar, there are tabs for 'My Classes', 'Home', 'Groups', 'Content Search', 'Assignments', 'Challenges', and 'Manage Classes'. The 'Content Search' section has two tabs: 'SEARCH BY SKILL' (selected) and 'SEARCH BY STANDARD'. A message says 'Make a subject, grade, and domain selection to begin searching content.' Below this, there are four dropdown menus: 'Subject', 'All Grades', 'Domain', and 'Skill'. To the right of these dropdowns, a green callout box says 'a. Narrow your search by selecting a subject, grade, domain, and skill.' Below the dropdowns, there is a 'Keyword Search' input field. To its right, a green callout box says 'b. Or search using a keyword.' Below the input field, there is a blue 'GO!' button and a 'Reset' link. To the right of the 'GO!' button, a green callout box says 'c. Click Go! to view results.' To the right of the search criteria, there is a magnifying glass icon and the text 'Search criteria and hit go to begin searching.'

3. Option 2: Search for content by standard.

The screenshot shows the Edmentum Content Search interface. The top navigation bar includes 'My Classes', 'Math', 'Reading', 'Language Arts', and 'Reports'. The 'Content Search' tab is selected. Below the navigation bar, there are tabs for 'My Classes', 'Home', 'Groups', 'Content Search', 'Assignments', 'Challenges', and 'Manage Classes'. The 'Content Search' section has two tabs: 'SEARCH BY SKILL' and 'SEARCH BY STANDARD' (selected). A message says 'Make a subject, grade, and standard selection to begin searching content.' Below this, there are four dropdown menus: 'Subject', 'Grade', 'State Domain', and 'State Standard'. To the right of these dropdowns, a green callout box says 'a. Narrow your search by selecting a subject, grade, state domain, and state standard.' Below the dropdowns, there is a 'Keyword Search' input field. To its right, a green callout box says 'b. Or search using a keyword.' Below the input field, there is a blue 'GO!' button and a 'Reset' link. To the right of the 'GO!' button, a green callout box says 'c. Click Go! to view results.' To the right of the search criteria, there is a magnifying glass icon and the text 'Search criteria and hit go to begin searching.'

Click the standard code to view its details.

Click to assign to your student(s).

Click to preview each type of content.

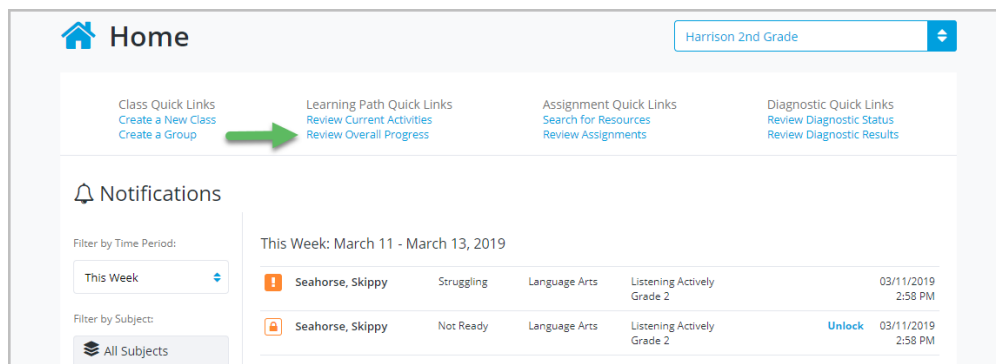

Preview and assign other content, including videos and Study Island content, if applicable.

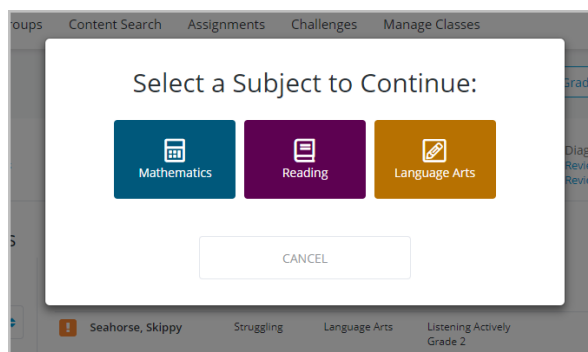

Assign Content from the Knowledge Map/Current Activities Pages

When you are looking at the overall progress of your students, you can easily assign content from the Knowledge Map.

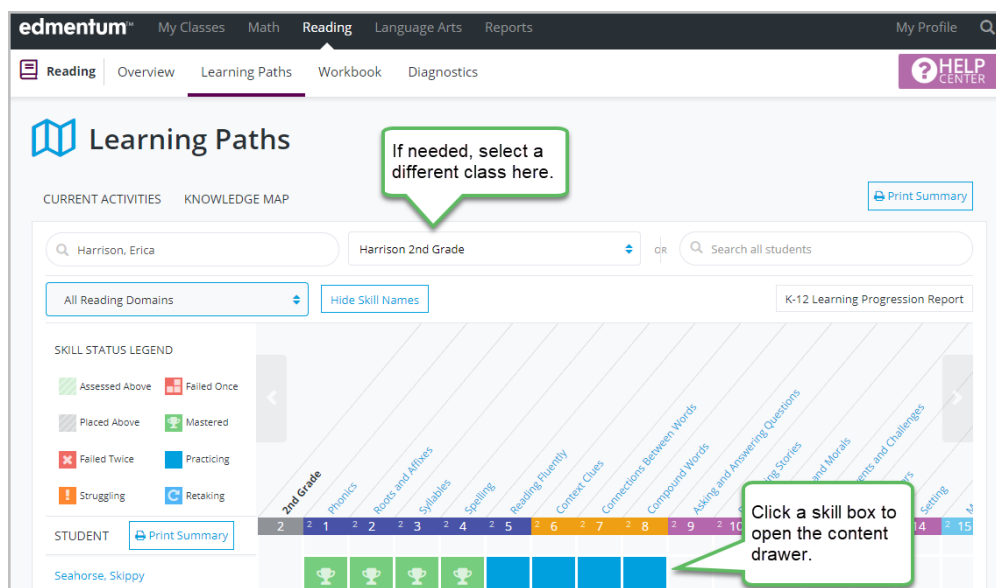

1. On your homepage, under Learning Path Quick Links, click **Review Overall Progress**.

2. Select your subject.

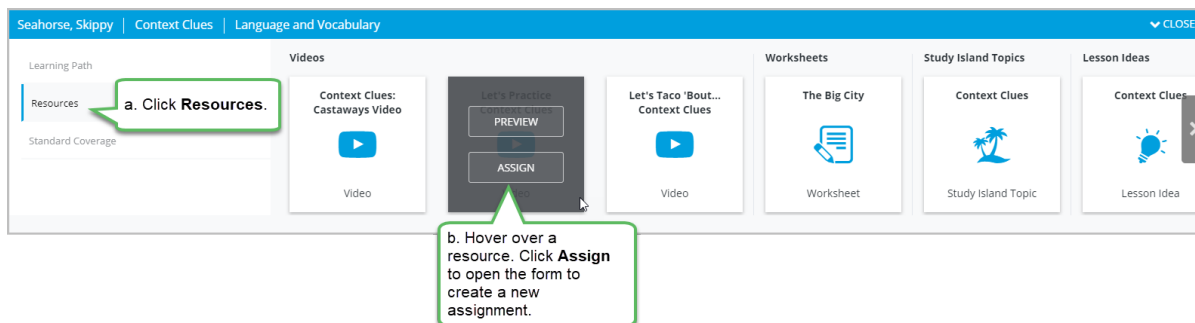

3. Click the skill box to view its available content and resources.

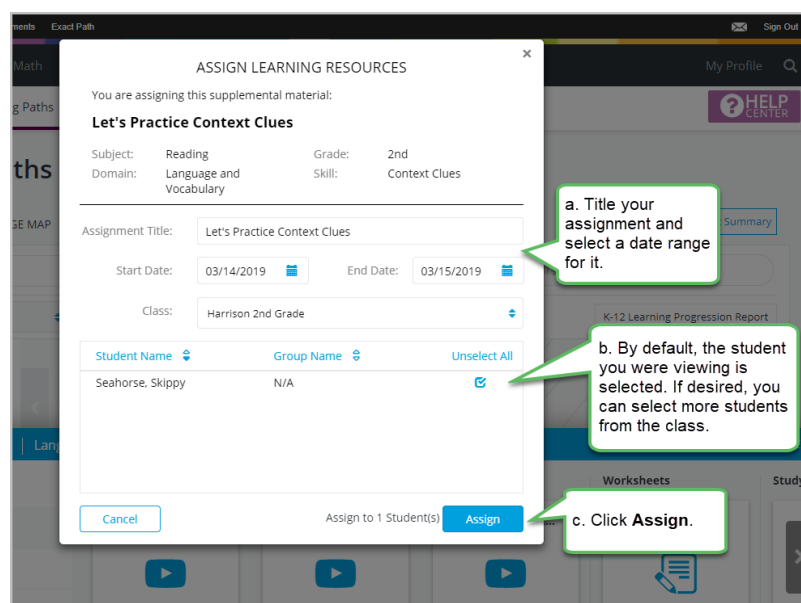

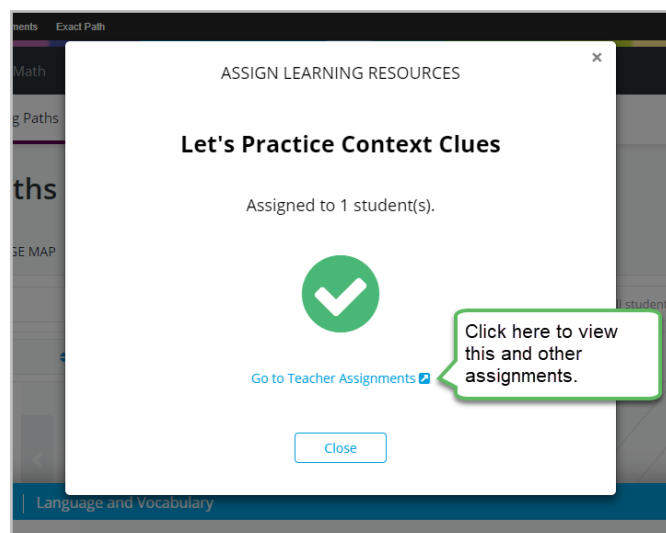

Click **Resources**. In the content drawer, you can also preview learning path content and view the standards coverage for the skill. Note: Some skills may not have assignable resources.

4. Once you have selected a resource to assign, complete the assignment form.

5. You have successfully created an assignment! Click **Go to Teacher Assignments** to view all your assignments or close the window and return to the Knowledge Map.

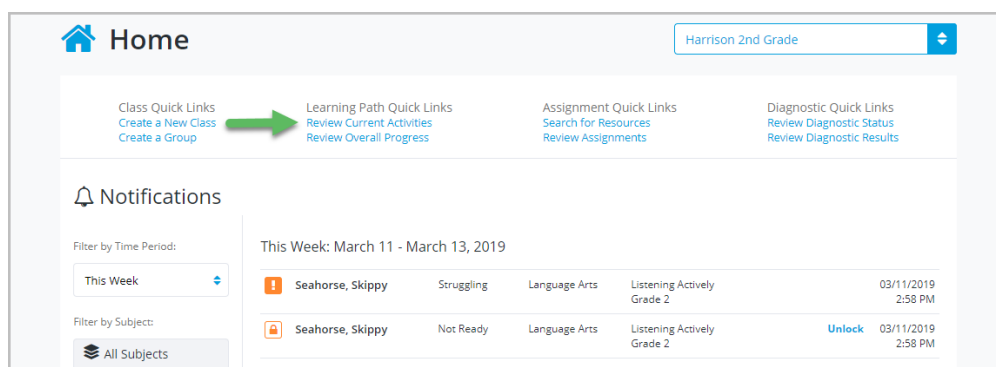

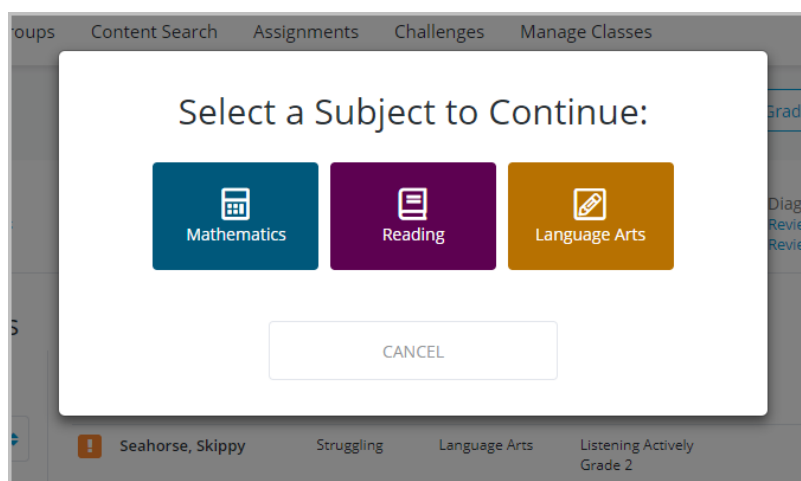

Assign Content: Current Activities

When viewing your students' current activities, you can easily assign support resources such as videos or learning path content to supplement instruction.

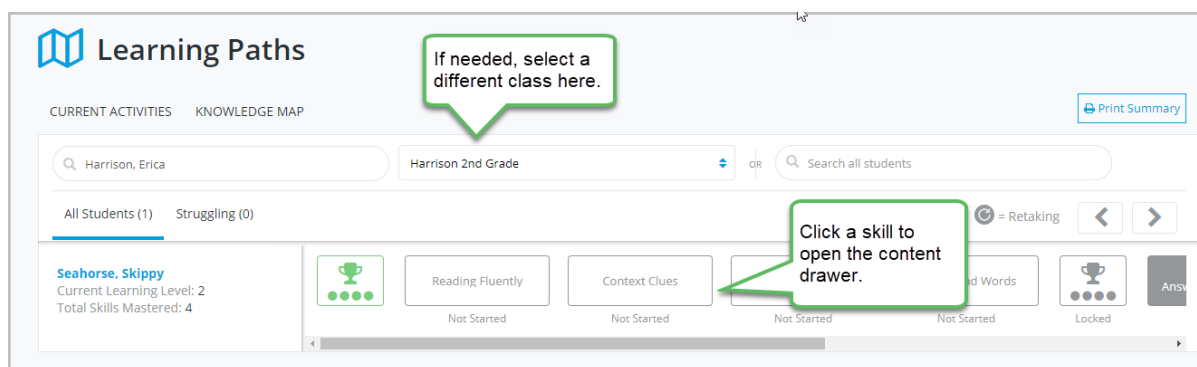

1. On your homepage, under Learning Path Quick Links, click **Review Overall Progress**.

2. Select your subject.

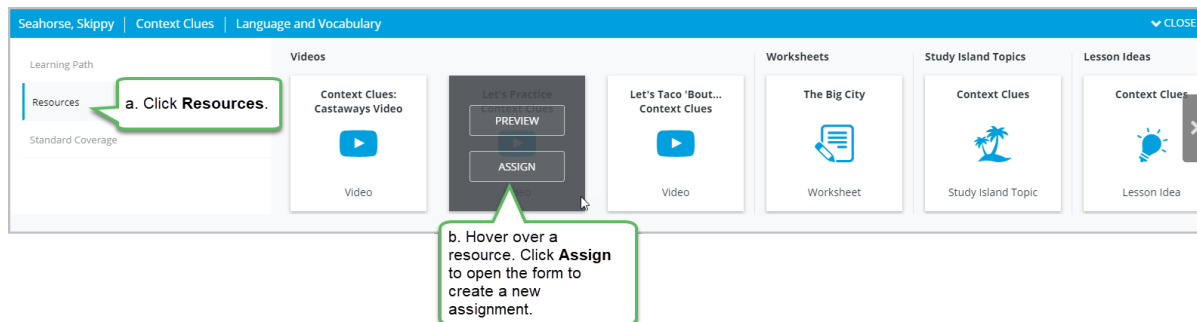

3. Click the skill to view its available content and resources.

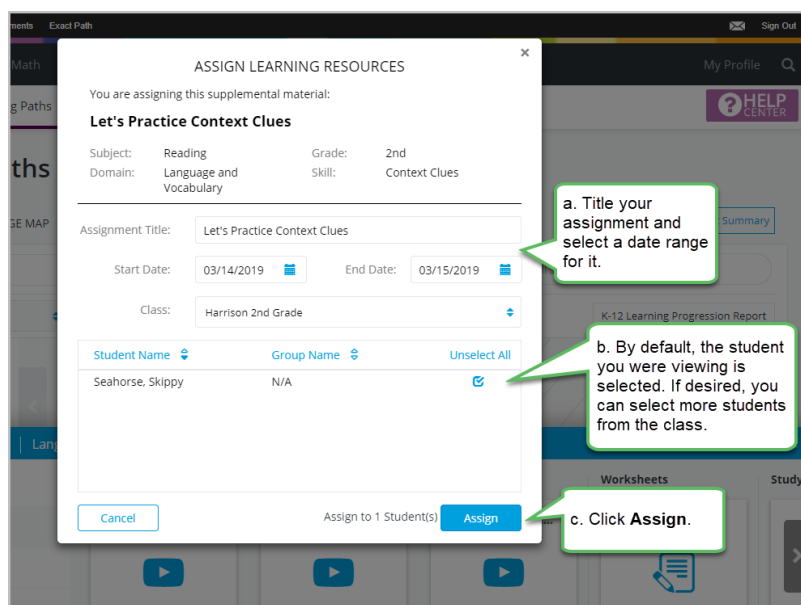

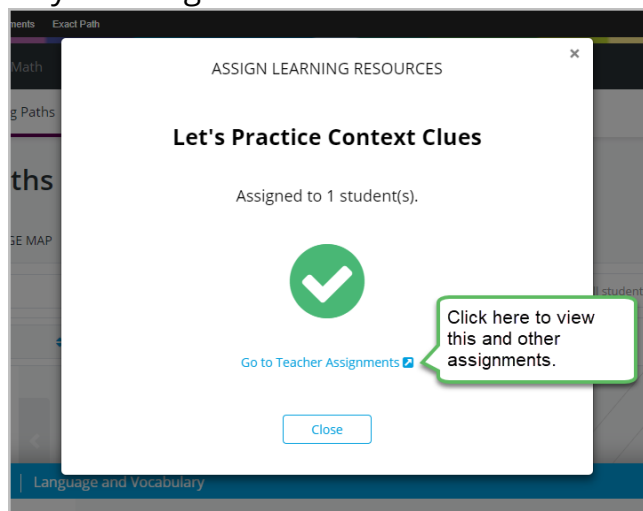

4. Click **Resources**. In the content drawer, you can also preview learning path content and view the standards coverage for the skill. Note: Some skills may not have assignable resources.

5. Once you have selected a resource to assign, complete the assignment form.

6. You have successfully created an assignment! Click **Go to Teacher Assignments** to view all your assignments or close the window and return to the Knowledge Map.

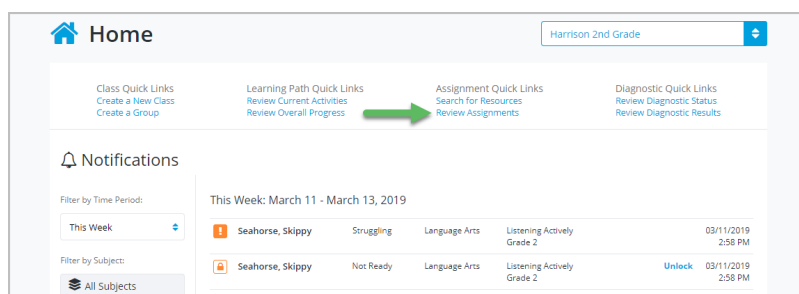

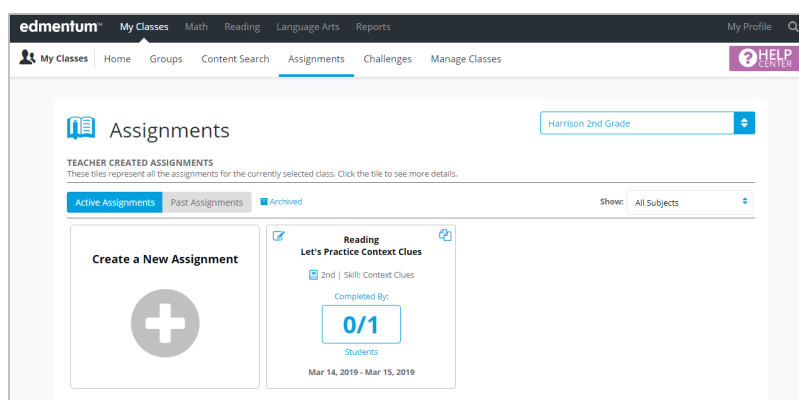

Assign Content from the Assignments Page

From the Teacher Assignments page, you can view your current and past assignments and edit and create new assignments.

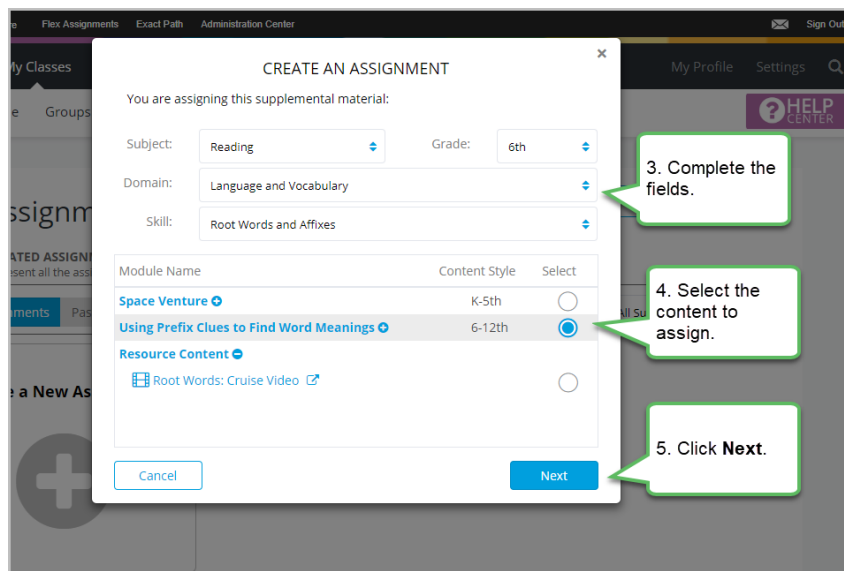

1. On your homepage, under Assignment Quick Links, click **Review Assignments**.

2. Click the Create a New Assignment tile.

3. Complete the fields in the top portion of the window.
4. Select the content to assign to your students from the bottom portion of the window.
5. Click **Next**.

6. Select the student or students to receive the assignment, and click **Assign**. Be sure to update your assignment days if you want more than one day before the assignment is due.

CREATE AN ASSIGNMENT

You are assigning this supplemental material:

Using Prefix Clues to Find Word Meanings

Subject: Reading Grade: 6th
Domain: Language and Vocabulary Skill: Root Words and Affixes

Assignment Title: Using Prefix Clues to Find Word Meanings

Start Date: 03/14/2019 End Date: 03/15/2019

Class: Harrison 2nd Grade

Student Name	Group Name	Select All
Seahorse, Skippy	N/A	<input type="checkbox"/>

Cancel Back Assign to 0 Student(s) **Assign**

a. Select students.

b. Click **Assign**.

The new assignment appears in the list of Active Assignments.

Past Assignments

This is where you'll find assignments whose due dates have passed. You can edit these assignments to add students from your class give students more time, if desired. You can also copy the assignment to assign the same content as a new assignment or to share with another class.

The screenshot shows the 'Assignments' section of the Exact Path interface. At the top, there's a header 'Assignments' with a book icon. Below it, a sub-header 'TEACHER CREATED ASSIGNMENTS' is followed by a note: 'These tiles represent all the assignments for the currently selected class. Click the tile to see more details.' A navigation bar contains three tabs: 'Active Assignments', 'Past Assignments' (which is selected and highlighted in blue), and 'Archived'. The main content area displays a single assignment tile. The tile has a pencil icon in the top left corner and a document icon in the top right corner. The assignment title is 'Reading Using Prefix Clues to Find Wor...'. Below the title, it says '6th | Skill: Root Words and Affixes'. The completion status is shown as 'Completed By: 0/1 Students'. At the bottom, the date range 'Mar 14, 2019 - Mar 14, 2019' is displayed. Two green callout boxes with arrows point to the pencil and document icons, containing the text 'Edit the assignment.' and 'Copy the assignment.' respectively.
