Exact Path
Student Guide
Grades 3-5
Welcome to Exact Path!

Dear Parent or Guardian,

Your student is embarking on a learning adventure with Exact Path! Exact Path supplements classroom lessons by delivering learning activities that are targeted to your child’s specific skills. Each student has a unique, personalized experience with Exact Path. To learn more about how your student will use Exact Path, please review this overview.

Log In

Step 1: Go to https://login.edmentum.com/.

Step 2: Enter the Account Login, User Name, and Password that your teacher gives you.

Step 3: Click Log in to Edmentum

Here’s what you will see when you log in to Exact Path. What you see might look a little different depending on what your teacher wants you to do. Let’s learn what the numbers mean!
1. **Tests**

   Your teacher might assign you a test to see where you are in your learning adventure.

   - **Math**
     - Due: This Friday
     - Start

   - **Language Arts**
     - Due: This Friday
     - Start

   - **Reading**
     - Due: This Friday
     - Start

2. **Learning Path**

   Every student's Learning Path is different! You will go here to complete lessons and practice what you have learned to improve your skills.

   - **Language Arts**
     - Start

   **Having a Discussion**

   - **Book Talk**
     - **Lesson**
       - Start

   - **Practice**
     - Start

   The yellow highlight shows which activity you should do.

   - **Progress Check**
     - Locked

   Click the green arrow to start a test.

   Click here to move to other subjects in your Learning Path.

   Click the green arrow to start a Learning Path activity.
The activities will look different. Here is what some of them look like.

Click **done** to enter your answer. Click **clear** to delete your answer.

Click **Submit** to enter your answer. Click **Reset** to delete your answer.

When you’re all done with an activity, click the navy blue button to go back to your Learning Path.
This row of pictures tells you where you are in the lesson. Click a picture to go to that part of the lesson.

Click the single arrow to play the lesson. Click the double arrow to jump forward in the lesson.

Click the navy blue button to go back to your Learning Path.

A message appears. You can stay on your activity or go back to your Learning Path.

When you complete a set of activities, you move on to the next activity.
Rewards

As you learn new things along your learning adventure, you earn trophies that appear here!

All the trophies you earn are here.

Complete all activities to unlock the progress check.
Assignments

If your teacher assigns work for you, you find it here. You will also see a “New Assignments” notification on your home page.

Click the green folder to start an assignment.

Messages

Go here to read messages from your teacher. You can also send your teacher a message.

Click here to write your teacher a new message.

Click here to reply to the message from your teacher.

Need Help?

If you need help with Exact Path, ask your teacher first. But Exact Path has a Help Center you can use too.

Click here to go to the Help Center.

Dear Parent or Guardian,

If your student has problems using Exact Path at home, you can also contact Edmentum Customer Support at 800.477.5286 (7am – 6pm Central Standard Time) or support@edmentum.com.
